

Solideal Hauler XD44

Tires for Skid Steer Loaders

We Are All About Getting the Job Done. **For Less.**

The Solideal Hauler XD44 is a severe-duty skid steer tire with an extra deep L5 tread to provide ultimate durability in the most extreme hard surface applications. That's productivity. That's our Lowest Operating Cost Solution (LOCS).

Extra Deep L5 Tread

- Up to 3X longer life than standard tires
- Ultimate longevity in the most extreme abrasive and abusive applications

80% Lug-to-void Ratio

- Increased on-road performance and longevity
- Maximum protection against tread impacts for fewer flat tires

Heavy-Duty Wide Sidewall

- For enhanced stability and resistance to side impact damage and flat tires
