

# Solideal WEX

## Tires for Wheel Excavators

### We Are All About Getting the Job Done. **For Less.**

The Solideal WEX is a durable tire with a good balance of performance and value. It is the perfect choice for small and mid-sized machines, so you can have an optimum tire for your application. That's our Lowest Operating Cost Solution (LOCS).

#### Robust Carcass

- Excellent puncture resistance
- Improved sidewall protection
- Good stability performance

#### Engineered Bead Design

- Improved mounting
- Increased manoeuvrability
- Comfortable roading experience

#### Deep Tread

- Improved traction in off-road conditions
- Long tread life

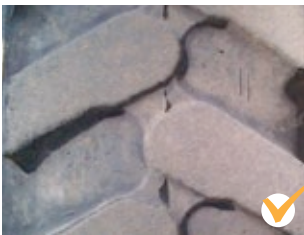

# Additional Facts About the Solideal WEX Tires for Wheel Excavators
